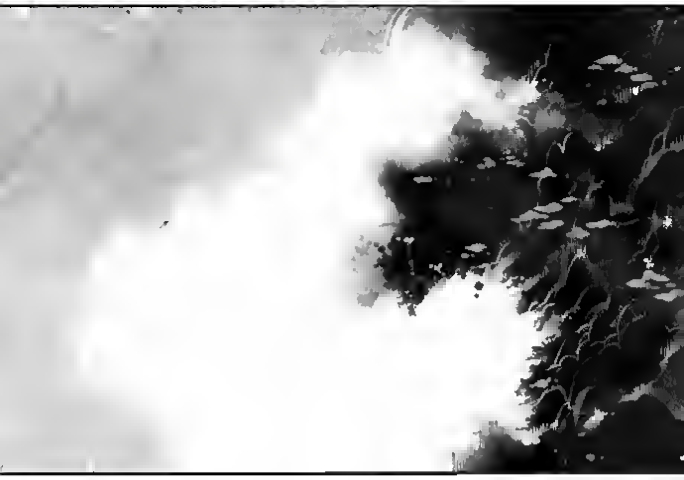
T/N: In Korean, the gender of the speaker is not specific, so judging by the pictures, I'm assuming the godly figure is a goddess and the speaker is female.

There was a universe...

새와 같이



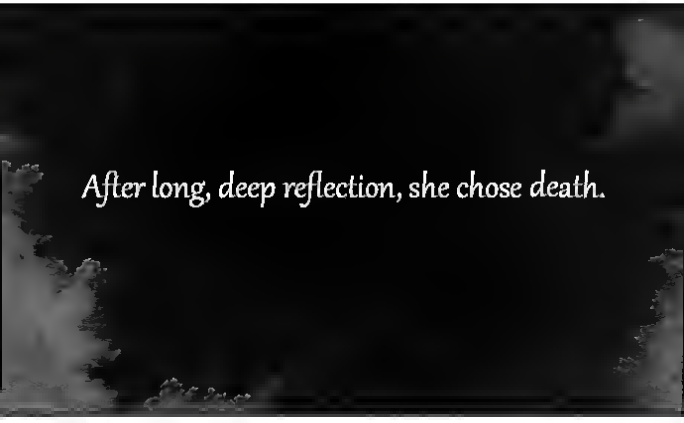
After many years had passed,
and the world was full of pictures that she drew,

The goddess reached an understanding.

"Ah, what a lonely
time it has been."

"No one
Ever looked at my pictures,

And no one ever joined me to draw..."



She hoped that, through her death,
many lives would be born...

to continue drawing the beautiful pictures.

If her wish were fulfilled...

She vowed
to become a bird...

And watch the world
with a happy heart.

The goddess, who loved drawings
more than her own life,

Disappeared.

And so the wish of the goddess was fulfilled.
